## NMCU's Virtual 89th Annual Meeting Recap

The 89th Annual Meeting was held via Zoom on April 26th, with over 100 members in attendance. There were three positions open for the Board of Directors. The following three duly qualified members, all incumbents, were nominated: Jon Sternberg, Emily Ho and Ryan Fleming. Because the number of nominees was equal to the number of open board positions, the three nominees were elected unanimously.

Members attending were entered into a raffle, and six members won Visa gift cards, which were mailed to the winners. We sincerely thank all of those who took part in the meeting!

The Board of Directors is comprised of credit union members who work voluntarily to look out for the members' best interests. They attend monthly meetings, serve on various committees and act as a sounding board for the membership.
