NMCU Holiday Club

The Northwestern Mutual Credit Union Holiday Club has long been a valuable tool for our members to save for their holiday spending needs.

On October 1st, 2026, the balances of over 1,000 existing accounts were transferred to savings, and members have already begun saving for the 2027 holiday season.

The maximum balance in the Holiday Club account is $7,500 and the dividend rate for the upcoming year is **6.18%** APY.

*APY = Annual percentage yield.

If you are already participating in the Holiday Club program, your account has automatically renewed and existing payroll deductions will continue without interruption.
