## Our Downtown Branch is Moving!

**Our Downtown branch is moving to a new location within the Tower & Commons, conveniently located just to the east of the main entrance on Mason Street!**

We will still require check-in with security for retirees and non-NM employees visiting the branch - nothing is changing with our security policies.

**As a result, our Downtown branch will be closing at 11:00am on October 18, 2024.** Our Franklin branch will remain open normal business hours (8:00am - 4:00pm), and we will remain available as usual via phone.

Visiting a Shared Branch is also an option. Locate a Shared Branch near you by visiting our website and selecting 'Find Branch' in the toolbar located on the right side of the homepage, or visit: [co-opcreditunions.org/locator/](https://co-opcreditunions.org/locator/)

Please be patient with wait times on the phone that day, as many of our employees will be assisting with the move.

**We look forward to serving our members Monday morning, business as usual!**

## NMCU Holiday Club

The Northwestern Mutual Credit Union Holiday Club has long been a valuable tool for our members to save for their holiday spending needs.

**On October 1st, 2024, the balances of over 800 existing accounts were transferred to savings, and members have already begun saving for the 2024 holiday season.**

The maximum balance in the Holiday Club account is \$7,500 and the dividend rate for the upcoming year is **4.86% APY**.

If you are already participating in the Holiday Club program, your account has automatically renewed and existing payroll deductions will continue without interruption.

To open a new account, give us a call, or use our online account opening option by logging on to Virtual Branch and clicking "New Account".

Happy Holidays from all of us at Northwestern Mutual Credit Union!
