NMCU's Virtual 93rd Annual Meeting Recap

The 93rd Annual Meeting was held via Zoom on April 28th with over 70 members in attendance. There were four positions open for the Board of Directors. The following four duly qualified members were nominated: Justin Ugent (incumbent), Jeff Niehaus (incumbent), Jeff Koeberl (incumbent) and Ellen Hopper (incumbent). Because the number of nominees was equal to the number of open board positions, the four nominees were elected unanimously.

Members attending were entered into a raffle, and four members won Visa gift cards, which were mailed to the winners. We sincerely thank all of those who took part in the meeting!

The Board of Directors is comprised of credit union members who work voluntarily to look out for the members' best interests. They attend monthly meetings, serve on various committees and act as a sounding board for the membership.

Northwestern Mutual Credit Union in the Community

In early June, our credit union team was hard at work preparing and serving a homemade dinner for the families staying at The Ronald McDonald House. These families spend long days at the hospital, and this volunteer program allows them to eat something healthy at their convenience and help it feel more like a "home away from home". The Ronald McDonald House Charity is dedicated to keeping families together with housing, meals, and a community as their seriously ill child receives treatment.

The community-based mission of Ronald McDonald House Charities® aligns with our values at Northwestern Mutual Credit Union, and we are proud to be able to volunteer our time to support their mission.
